

Hello Division 10!

Hello, Division 10 Key Clubbers! I'm Mikaila Oglesby, and I am super excited to begin serving as your Lieutenant Governor! I was elected at Jen Spell's winter rally, and began my term at District Convention in Montgomery! Jen was recently elected to be our District Governor, as well!! District Convention was packed with so many fun and memorable activities, and I hope I see you all there next year in Montgomery!

This next service year should definitely be one to remember! All the hard work of the all the club members, club officers, and advisors keeps this Division running smoothly!

Communication will be key to continue our amazing service year! I plan on coming to all the schools in division 10, serving with you, and making memories to last a lifetime!!

Key Leader Is Approaching!

Key Leader, a fun and interesting way to meet other Key Clubbers, is quickly approaching in late April!! From April 21-23, join other Key Clubbers around the state in Camp ASCCA in Jackson's Gap, Alabama for a weekend of teamwork, fun, and life long memories! The weekend in Camp ASCCA is open for grades 8-12 (Yes!! 8th graders are allowed into the event, so ask your younger siblings!) and is \$250 for non-Key Clubbers, but it is \$225 if you are a Key Clubber! If you are interesting in attending the event, you can register at key-leader.org! For any questions or concerns, please do not hesitate to ask me!

International Convention will be in San Antonio, Texas this year and we would love to have you there! The down payment is \$300 and must be paid to Mr. Sexton by May 9th! The price of a quad room, \$552, must be paid by May 20th. For any questions about attending convention, please let me know!

Alabama District Project!

Last year, the GREAT Alabama District was able to raise over \$40,000 for Children's Hospital, with about \$3000 of it being from Division 10! Great job, everyone!

This year, the Alabama District made \$60,000 our goal for Children's Hospital, and hopefully Division 10 will be able to make the \$3000 goal again this year!! Fundraising for the Children's Hospital renal center will be very important again this year, and I hope y'all have fundraisers to promote it!

If your school is fundraising for Children's Hospital, please make sure that the check has "Key Club District Project – Division 10" in the memo so it gets counted for for our division!

Please let me know if your school is having some type of fundraiser event! I would absolutely love to come help your school in any way possible!

Project Ideas

As fundraising for Children's Hospital begins, I want to start giving you guys ideas on fundraisers!

The first is coin collection! Collecting coins and spare change at school is an easy way to fundraise with little to no preparation.

The second is a food-related spirit night! Tons of restaurants are willing to donate to a school a certain percentage of their profits one night! This is a great way to eat good food, fundraise for Children's, and bring the community together!

Youth Opportunities Fund

Do you need money for a service project? Your school should look into the application for the Youth Opportunities Fund! This fund grants schools an amount of money between \$100 and \$2000 to help with your project! The application is due on October 15th, and you can apply on the Key Club website at keyclub.org ! Filling out an application is easy, and the rewards can be grand!

Club of the Month!

Evangel Christian!!

Evangel Christian was the first school to send me information regarding their Key Leader attendance and new officer election information!! Congratulations!
