Kiwanis Connections!

Key Clubbers, I challenge you to reach out to your local Kiwanians this month! These Kiwanians that sponsor the clubs of Division 10 are nice, caring, and very supportive! Connecting with your Kiwanis club can aid in growing your club out into the community as well! They are very helpful and give great advice on anything your club would like help on! So please, make May the month you attend a Kiwanis meeting, make connections, and meet these life changing people! Let’s show our Kiwanians some appreciation!

Alabama District Project!

Last year, the GREAT Alabama District was able to raise over \$40,000 for Children’s Hospital, with about \$3000 of it being from Division 10! Great job, everyone!

This year, the Alabama District has made \$60,000 our goal for Children’s, and hopefully Division 10 can meet this goal again! Fundraising for the Children’s Hospital renal center is very important again this year, and I plan on helping everyone with Children’s fundraising this year!

Is your school is fundraising for Children’s, please make sure that the check has “Key Club District Project – Division 10” in the memo so it gets counted for our division! Please let me know if your school is planning any type of fundraiser! I would love to be a help in any way possible.
