

## Ciara's Correspondence

Volume 1 Issue 1

May 2017

Division 13,

We made it through another awesome year of school and service! But just because school is almost out doesn't mean the service has to stop. With the warm weather now is a great time to clean up a local park or visit your animal shelter. It is also a great time to start planning for next year and implementing new officers. If your club has elected officers, please share the attached link attached or email it to me. Also, if your club has not paid their dues please pay them ASAP!

Yours in Service,

*Ciara Harding*

Join the Alabama delegation at the 2017 Key Club International Convention in San Antonio, Texas, July 5-10, 2017. While at ICON, delegates will have the experience of a lifetime, meeting key clubbers from across the world while getting to see the big picture of key club and how expansive it truly is through workshops and participating in voting for various international offices. Delegates will also get to take in some San Antonio's awesome culture by visiting the Enchanted Spring Ranch and the Natural Bridge Caverns. The deadline for the \$300 down payment and registration form (attached in email) is due May 9, 2017. Please contact me if interested!

“As we lose ourselves in the service of others, we discover our own lives and our own happiness.” – Dieter F. Uchtdorf

Congratulations to Prattville High School Key Club for being the first clubs to respond to emails and update officer information!

Prattville High School Key Club also held a fund raiser called Kiss the Year Goodbye and sold over one hundred bags of Hershey Kisses! Great Job and keep up the hard work Prattville!

### District Project

The 2017-2018 district project is the raise \$60,000 for Children's Hospital in Birmingham. That's a big number, but I know we can rally our division together and raise \$3,000 to do our part! It's never too early to start fundraising! Bake sales for finals, kiss the year goodbye grams, and t-shirts are all awesome ways to raise money to help!

### KCI Fact

The 1<sup>st</sup> Key Club was started in Sacramento, CA, in 1925.

### KCL Partner

**ELIMINATE**

maternal/neonatal tetanus

Help UNICEF eliminate maternal/neonatal tetanus through raising money for life saving vaccines!

### Service Project Ideas

- Raise money for Children's Hospital
- Make dog toys from rags
- Create holiday cards for a local nursing home

If you want your club to be featured in the spotlight, contact me through email, phone, or Instagram!
