### **Who's the new Lieutenant Governor?!?!**

Hi everyone! I am happy to announce that this is my very first newsletter for 2017. I, Kylie Parker, will be serving you as the 2017-2018 Lieutenant Governor for Division 16 community. I am so happy to be working with all of you this year to serve and help others. I hope to fill this year with many opportunities for you to serve our community and people in other communities. Serving others is a passion of mine and I love to share that passion with others. I am so happy to meet all of you and work together.

Yours in caring service,

Kylie Parker

### **ICON**

This year, International Convention is in San Antonio, Texas! This is an experience that no one wants to miss. ICON is an amazing event where Key Clubs from all over the world attend and make new relationships. If you are interested in going, it is July 5-10. The cost of the event is \$552. You will have to purchase your own plane ticket for the way there and the way back. This is an amazing experience you do not want to miss! If you would like more information, contact me!

### **District Project**

This year the Great Alabama District has set a goal to raise \$60,000 for Children's Hospital of Alabama. This means that every division should raise \$3,000. I know we can do that! Reaching this goal would be an amazing opportunity to help children that go to the Children's Hospital of Alabama and to honor Mr. Palys, who has recently passed away. Mr. Palys was very involved with helping Children's Hospital of Alabama, as his son was a patient. This year I hope that we reach the goal of \$60,000 as a state and to honor Mr. Palys in a very special way.

### **Key Leader**

Key Leader is April 21<sup>st</sup>-23<sup>rd</sup>!  
Key Leader is an amazing experience that builds strong character skills. The cost of Key Leader is \$225 for any Key Club member and \$250 for anyone not in Key Club. So, if you have a friend that may want to attend, take them with you! Anyone is invited! This an experience you don't want to miss!

## Club Officer Information:

Time to start electing new club officers for the 2017-2018 school year! Electing new officers can be done in the remainder of this school year or in the beginning of next school year. If you have already elected officers, good job! You are ahead of the game! If you have not, that is okay! You still have time! Once you hold elections, please let me know. I need contact information for all of the club officers as soon as possible!

I will soon be sending out a google form for the club officers to fill out themselves. I will be sending the forms to the Club Advisor and current officers to send via email to the new club officers. Having the information is crucial for us to have a successful year. More details on the sending of officer info will be included in the email.
