

Parker's Papers: Issue 3

It's summer!!!!

It is officially summer! No more school, for a few months anyway. Even though it is summer, Key Club is still going on! ICON 2017 is right around the corner! This summer, I also would love to throw around some ideas about fundraisers for our district project. I also would love to do plenty of service projects this summer to help us stay active in our community! You can read about a couple of ideas in a section later on!

Summer service!

I am so excited for summer and doing service projects! I would really love to do service projects this summer to help our community grow! Maybe a food drive or a sock collection. There are so many service projects that we can do this summer and I would love to attempt them! We can get started this summer and do them throughout the next school year. Please let me know if you have any ideas for a service project, I would love to hear them!

District Project

This year the Great Alabama District has set a goal to raise \$60,000 for Children's Hospital of Alabama. This means that every division should raise \$3,000. I know we can do that! Reaching this goal would be an amazing opportunity to help children that go to the Children's Hospital of Alabama and to honor Mr. Palys, who has recently passed away. Mr. Palys was very involved with helping Children's Hospital of Alabama, as his son was a patient. This year I hope that we reach the goal of \$60,000 as a state and to honor Mr. Palys in a very special way.

ICON 2017

ICON is right around the corner!!! ICON is in Antonio, Texas this year! I know a lot of people are very excited for this ICON. It is July 5th-10th and everyone should be getting very excited. I hope you have started getting very excited! Remember that this is an amazing event you do not want to miss next year if you are not attending this year!

Y.O.F.

(Y)outh (O)ppurtunities (F)und is an amazing opportunity for your school to apply for a grant from \$100-\$2000 to sponsor an event to raise money in Key Club. If you an idea for an event at your school, but you don't have the money, apply for a grant. Applications due October 15.

Stay active!

When we have these months of relaxation and no school, sometimes we wanna' sit around and be kind of lazy. Am I right? The bad thing about that is, summer is an amazing time to get out and have fun! We don't want to waste the time we could be using having fun, sitting around doing nothing! With the sun out and shining, there are plenty of ways to stay active! Remember though, to have safe fun and wear your sunscreen! Find something new to do! Be adventurous this summer and do new things! I hope you all have much fun this summer!

A quick shout out!

I would just like to give a quick shout out to all of the advisors that have filled out the forms I have sent you! That information is crucial for me to use to serve you efficiently and you have provided it to me quickly. Thank you very much! You advisors are amazing!
