Howdy!

Hey Y'all,

Like I have said in my previous email, I am Samantha Maynard. I am a junior at Ashford High School. I play varsity volleyball and clearly I have a passion for Key Club. This will be my second term as a lieutenant governor and I am way too excited. Last year, I served over division 16 which is Houston County and Dothan City schools. I have definitely learned a whole lot from last year and I will be bringing my knowledge with me this year to make this year run smooth and bring division 17 to the greatest it can be!

I want you all to know that I will be here for you all with any issues you will be having! All of my contact information will be posted in this newsletter so feel free to contact me!

Yours is caring service,

Samantha Maynard

District Project

This year the district project is Children's Hospital. We have dedicated this year of service in the memory of the miraculous Robert Palys.

Mr.Palys was on the district board and made a huge impact on the district board as well as the Alabama District of Key Club as a whole. He lived for service and a heart bigger than the world! Sadly Mr.Palys passed away just a few weeks ago. That is why this means so much.

Children's Hospital has touched so many lives and so did Mr.Palys. I believe that we can do great things as a division to raise money for this great organization and make Mr.Palys proud!

ICON

It is this time again, the time to start getting ready for ICON. ICON this year will be July 5th-9th, this does not include our district tour. The convention will be in San Antonio, Texas and transportation WILL NOT BE PROVIDED. You will have to purchase your own plane ticket. If you are interested in going please let me know and I will let you know when my plane will be leaving and we can possibly set up an arrangement so you could ride with me to the airport. Please let me know ASAP if you are interested!
