Fun in the Sun

Hello,

Congrats on making it through another year of high school. I am baffled by the fact that I am officially a senior and to all underclassmen please believe me when I tell you that it will all come to an end before you know it. To all incoming seniors, like myself, this is your last year so make it count!

As you all are having fun in the sun please remember to stay safe and continue your service work to the right I will provide tips on staying safe in the sun and below I will provide some service project ideas!

Yours is caring service,

Samantha Maynard

Fun in the Sun

- Wear at least 30 SPF sunscreen while being in the sun, the peaks of the sun's violent rays are between 10am-4pm
- JUST BECAUSE IT IS CLOUDY DOES NOT MEAN YOU CAN NOT GET BURNT... overcasts are the worst
- While out at a lake or a river watch out for animals... remember, you are in their territory
- Lastly have fun, the summer time is a great time to make memories with friends and family!

Quote of the Month

“The tans will fade but the memories will last forever.”

-Unknown

Important Dates

July 5th-9th- ICON

July 17th- rice and bean project

Maynard Monthly: Volume 2, Issue 3 page 2

Summer of Service

- Clean up a beach with your friends
- Check with your schools to see if any teachers need help cleaning or painting
- Volunteer at a local daycare or senior citizen home
- Be a camp counselor
- The opps are endless!

ICON

I am so stoked that I will be leaving for ICON on only 3 weeks! The time has really flown since my last big trip with Key Club and I cannot be more excited! This summer, ICON will be held in San Antonio, Texas. We will be right by the River walk, we will be taking a District Tour to a pioneer ranch, and we will be enjoying all the fun of an internationally convention. I am sad to say that nobody from division 17 will be in attendance but hopefully that will change next year when we go to CHICAGO!

This is the spotlight section of my newsletters. If you would like your school to be featured here send me a picture and a brief summary of what y'all did!
