Howdy!

Hello,

To begin with, I would just like to say how excited I am that school is coming to an end very soon. It is hard to believe that in just a few weeks I will be officially a senior.

I enjoyed meeting most of my advisors and administrators from division 17 during early April and I cannot wait to see you all again soon.

Let us finish this year strong and have a great summer. To be honest I am so excited to catch some rays this summer. Not only will I be gaining a tan this summer, but I have plans for gaining some service hours as well. As we approach this nice well needed break, remember, when you are bored you can always find a service project in your area! If you need any help finding anything service wise, please feel free to contact me anytime!

Yours is caring service,

Samantha Maynard

District Project

This year the district project is Children's Hospital. I am currently planning many fundraisers to help us reach our goal! The money we will be raising will go to the construction of a new renal unit and as a district, we set a goal of \$60,000 and I believe that we can achieve this! If you have any ideas as far as a fundraiser please let me know! Children's hospital has touched many lives and they can touch even more with our help!

Fun fact: Alabama Key Club is the only high school organization listed on the donation wall in Children's hospital.

Service Project

At the Andalusia Kiwanis meeting, there was a speaker there from a local church in that area. Every third Saturday of the month, they do a rice and bean drive for families that are less fortunate. They can definitely use a lot of help and if you are interested in working please let me know and I will provide you with more details.

LAST CALL TO ICON

It is this time again, the time to start getting ready for ICON. ICON this year will be July 5th-9th, this does not include our district tour. The convention will be in San Antonio, Texas and transportation WILL NOT BE PROVIDED. You will have to purchase your own plane ticket. If you are interested in going please let me know and I will let you know when my plane will be leaving and we can possibly set up an arrangement so you could ride with me to the airport. Please let me know ASAP if you are interested! The deadline to register is May the 9th!

This is the spotlight section of my newsletters. If you would like your school to be featured here send me a picture and a brief summary of what y'all did!
