

Catching Up With Coleman

April 1, 2017

Volume 1 Issue 1

Hello, Key Clubbers of Division 18

I am so excited to begin my term as Lieutenant Governor. In this newsletter, I am including my contact information, so be sure to check that out and do not hesitate to use it. I am also including social media information for the division. I encourage you to stay connected.

We have begun a new Key Club year, so that means it is time to start electing new club officers and recruiting new members to join. In addition, it is never too early to start collecting dues for the upcoming year for those of you who wish to obtain the early bird status.

If you have any events or meetings coming up, just let me know. I would love to attend those. I am looking forward to a GREAT year with Division 18 of the GREAT Alabama District of Key Club.

Yours in caring service,

Makayla Coleman

Just Some Things to Think About

District Project

Our District Project this year is the Children's Miracle Network. We have set our goal at \$60,000, so I encourage you to help raise money so we can reach our goal. I am planning for the division to sell t-shirts soon, so be on the lookout for more information about that. Help make an impact on the lives of children around the country.

KEY CLU

Youth Opportunities Fund

Kiwanis International sets up this fund. This can be a valuable resource for clubs struggling to fund projects or reach their goals. Applications are accepted throughout summer and up until October 15th. Please look at the Key Club International website for more information.
