## Hello, Key Clubbers of Division 18!

SCHOOLS  
OUT..  
LET'S SERVE  
AND  
SHOUT!!!!

### District Project Goal

I hope all of you are excited to be out of school; I know I am! Take advantage of all your free time. Plan a project and raise some money! We are already half way to our division goal for our district project so continue working hard and let's push the limit as raise as much as we can. If we can raise more for Children's Hospital, then \$3,000, then why not?
