Hello Division 19!

My name is Hannah Giannini, and I am a junior from Gulf Shores High School. This March I attended DCON where I was installed as your new Lieutenant Governor. As Lieutenant Governor, it is my job to give you Division, District, and International updates.

I am so excited to begin working with you all because I know we are going to have a fantastic year! Please contact me whenever you have any questions!

What's our DISTRICT PROJECT ?

Children's
of Alabama®

Our Key Club's district project is the Children's Hospital of Alabama. The goal for our district is to raise \$60,000 this year, and **our division's goal is to raise \$3,000 for Children's**. This may seem like a lot, but together I know we can do it!

Thank you, Mr. Palys for your dedication to Children's Hospital and Key Club! You are an inspiration to all of us.

FUNDRAISING IDEAS!

T-SHIRT SALE

Get your Key Club to sell Children's Hospital shirts for \$10! All the money is donated to Children's! These sales will count towards fulfilling our division's goal of \$3,000. T shirts come in 3 colors: navy, green, and pink.

Let me know if you are interested so I can send you order forms. This is a very easy AND rewarding fundraiser!
