Happy Summer
Division 19!

Thank you again for
your dedication to
your home, school,
and community over
the past year.

Together, we have
accomplished so
much! Over break,
please remind your
Key Club members
to continue
volunteering and
fundraising for
Children's Hospital.
Also, encourage your
officers to attend
your sponsoring
Kiwani's meetings;
the Kiwanians would
love to see them and
hear what your club
is up to!

OFFICER TRAINING

Daphne High School has
already completed officer

we can schedule a day this
summer for your club to be
trained!

DISTRICT PROJECT:

Children's
of Alabama®

PLEASE continue fundraising for Children's Hospital this summer! Remember that our division's goal is to raise **\$3,000** for our district project.

If you're unfamiliar with Children's Hospital, our district project might feel distant. I encourage you and your members **to tour Children's Hospital this summer** to gain a new perspective and see exactly how important our district project really is. I recently visited, and our project has a whole new meaning to me!
