What's up Division 19?

I hope you all had a wonderful April. I don't know about you, but I'm ready for the summer!

Although it's almost break, make sure your club finishes the year on a good note! Do a service project, host a fundraiser, or volunteer with your local Kiwanis Club.

Thank you, Faculty Advisers and club officers for all your hard work this year. You have truly made a difference in your home, school, and community.

DISTRICT PROJECT

Children's
of Alabama[®]

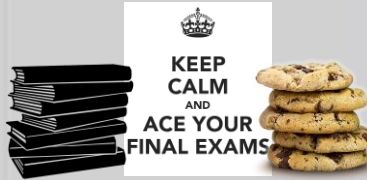

Our District's goal is to raise \$60,000 this year for Children's Hospital in Birmingham. Wow, that's a lot! But remember, our DIVISION'S goal is to raise **\$3,000**. I know we can do it! Remember to fundraise this summer so we can get a head start on our goal!

Meet Jack!

At two days old, Jack was diagnosed with hypoplastic left heart syndrome. He was then airlifted from his hometown of Mobile to Children's Hospital. In September 16' he had his third surgery, and now he currently charms all the nurses during his check-ups!

FUNDRAISING IDEAS!
