"The Chronicles of Daniel" Chapter 3 Page 1 June 2017

Hey guys! I hope everyone is having a great start to their summer. Schools done, but service to our communities never stops. Be sure to send me emails on any summer meetings or events you may have. I would love to help out in any way possible! Also, don't forget to submit officer information!

Project Idea of the Month

Flea market: Collect junk from members, people in school and Kiwanis members, and then sell them at a local flea market.

Alabama District Project

This year the Alabama District of Key Club International has decided to make the 2017-2018 raising funds for Children's Hospital of Birmingham, AL in honor of Mr. Bob Palys and all the work he has done for Key Clubbers and the Alabama District. All funds raised will go to help build a new Pediatric Renal Wing. Children's Renal Center will be the only full service renal center in the entire state. Our goal is for each division to raise \$3,000. By the end of this year, we hope to have raised \$60,000 as a district.

Children's of Alabama

YOUTH OPPORTUNITIES FUND

The Youth Opportunities Fund (YOF) is an endowed fund for Key Club International held within the Kiwanis International Foundation.

This fund uses earned interest to help Key Clubs and Key Club members serve the world by providing grants for service opportunities. The Youth Opportunities Fund is established through gifts to the G. Harold Martin Fellowships.

YOF grants can help you take action. Look around and identify the things that need to get done in your school, community or world.
