Key Club International Convention

It's almost that time of year!! Every year, Key Clubbers from all over the world come together at the International Convention (ICON). It will be held in San Antonio Texas this year! The Alabama District has a fun tour planned. Arrival will be July 5th, and departure will be the July 10th. You will be in charge of your own transportation. I will be sending out an email specifically about ICON really soon with lots more information on it. Please be considering this huge event. I hope to see you there!
