Newsletter of Division 4

ICON:

ICON is less than a month away! This year ICON will be July 5-10th in San Antonio, TX. I look forward to seeing you all there! The convention will be great opportunity to learn more about Key Club and a great opportunity to make new friends from all districts of Key Club International. If you are not going to attend convention I will be posting an update from the convention and I will be letting you know about the newly elected International board.

RIF

Reading is Fundamental is the largest non-profit organization that helps Americans who read at an average or below average level. Many kids who are in Headstart are not fortunate enough to own a book. That is why the program is so important.

Division 4,

School is out for the summer! Even though school is out, we can still do our part to help our community. I hope your clubs have some projects planned for the summer. It is a great time to have fundraisers for the District Project. I would love to come out to one of the project you have and help. Also let me know what is happening in your community. Please send me pictures of your clubs so I can feature you in the Spotlight. If you have any questions please don't hesitate to contact me. Have a great month!

Yours in caring service,

Serena Knedlik

Division 4 Lt. Governor
