I hope all of you had a wonderful month of service in April! If you, or your club, did any special projects, I would love to hear about them. Service projects are one of my very favorite things about Key Club. Use this month to brainstorm some great service project ideas!

If you've ever been to a district convention, you know how exciting it is! Imagine that, but way bigger! This is an amazing experience and I really encourage that you join us this year for ICON!

Please do this ASAP! It is very crucial that I contact your officers to make this a wonderful year! Thank you!

School is almost out for summer! I know everyone is very busy finishing up. This month might be your last opportunity to do a group project with your club! Try taking small, potted, flowers to local helpers to brighten their day and thank them for all that they do for your community!
