

## **Sample Key Club point system**

A point system should be one part of member motivation. Suggestions for membership motivation:

1. Provide flexibility and choice.
2. Provide choice.
3. Encourage goal setting.
4. Clarify your expectations.
5. Individualize your interaction with each person.
6. Provide immediate feedback.
7. Exhibit confidence in others.
8. Establish a climate of trust and open communication.
9. Listen and deal with complaints effectively.
10. Demonstrate your own motivation through behavior and attitude.

The following is a point system that is presently being used by some Key Clubs to insure active participation by all of the members in their Key Club. Members earn points for attendance and participation in Key Club meetings and activities each year. This serves as an incentive to take part in the activities of the club, such as the district or Key Club International conventions. The table of points that a member can earn is as follows:

1. Projects = 5 pts /hr
2. Attendance at club meetings = 5 pts /hr
3. Attendance at board meetings = 5 pts/hr
4. Attendance at Interclubs = 5 pts/hr
5. Attendance at Kiwanis meetings = 5 pts/hr
6. Social activities = 5 pts/hr
7. Attendance at divisional meetings = 15 pts
8. Attendance at district convention = 25 pts
9. Attendance at the Key Club International convention = 30 pts
10. Extra hours of service work = 5 pts/hr
11. Project chairs receive extra points = 2 pts/hr

### **Points are lost for:**

1. Not showing up for a project he or she signed up for = -10 pts
2. Not completing an assigned task = -5 pts
3. Disrupting meetings or causing problems during school = -3 pts
4. Excused absence from meetings = -2 pts
5. Unexcused absence from meetings = -5 pts

**MINIMUM POINTS NEEDED BY END OF SCHOOL YEAR TO STAY IN CLUB AND GO TO CONVENTIONS:**

Returning members: 800 pts

New members: 500 pts

MINIMUM POINT TOTAL NEEDED BY END OF SCHOOL YEAR TO RECEIVE CONVENTION REIMBURSEMENT:

Returning members: 900 pts (\$20.00)

New members: 600 pts (\$20.00)

(Members will receive US\$5 extra for every additional 100 points.)

**Note: This system is only a suggestion and should be tailored to fit your own club needs.**
